Power outage reported in Delavan

Saturday, November 25, 2017

DELAVAN--Alliant Energy reported a power outage in Delavan, in the area of Tyrell Court on the city's east side, at 10 a.m. Saturday.

Power was restored before 11 a.m., the company's outage map indicates.

The map said 70 customers were affected, but a spokesman said it was just two customers.

The cause was a squirrel climbing on a line that enters an apartment building, tripping a circuit.
