

**Food ‘contaminated by rodent droppings’ found at South Florida Country/Golf Club**

Florida | January 19, 2021

An inspector saw a live rodent crawling up a wall and found rodent droppings in a storage area and in the kitchen at the Deer Creek Country Club in Deerfield Beach last week.

A stop sale was ordered on sauce after droppings were found on cans.

According to state records, no kitchens were ordered shut in Miami-Dade and Monroe counties last week.

All the places mentioned in Broward County were allowed to re-open following an ordered cleanup and re-inspection.
